iBL About Us

Founded in 2015, iB Language Classes is a Premier Institute for Foreign Languages based in New Delhi, backed by ISO Certification, Startup India Recognition, Trademark Registration & a private limited company. We are on a mission — **"YOUR CAREER"** — to equip students with the language skills, exam preparation, and global opportunities they need to succeed, supported by strong placement tie-ups with corporates like TCS, Amazon, Accenture, and IBM. With **17+ languages** taught and thousands of learners trained, we continue to bridge cultures and careers across the globe.

At iB Language Classes, every student who walks in with a dream to learn a new language walks out with the confidence to use it — in an interview, an exam, or a new country. Our promise is simple: quality training, real mentorship, and genuine career outcomes. Thank you for trusting us to be a part of your journey.

Miss Farheen Naaz
Director, iB Language Classes

iB Language Classes was born from a simple belief — that language should never be a barrier to anyone's dream. From a single classroom in Jamia Nagar to a trusted name with thousands of success stories, we've stayed true to that belief every step of the way. Thank you for being part of this journey; we're just getting started.
